

Dear Members and Friends,

Effective immediately, the office staff (Amy Taylor and Stacey Riley) will be working remotely as much as possible in an effort to help mitigate the spread of COVID-19.

While working remotely we will have full access to phones, as they will be forwarded to our cell phones, as well as email. We will be available through these channels during normal business hours.

- If you need to drop off a payment, there is a drop box located on the wall in the front office.
- If you require our assistance in person, we will gladly set up an appointment to meet with you when we are in the office.
- For FED Ex or UPS deliveries, please visit the Golf Shop for assistance with the delivery.
- For Liquor or Beer deliveries, please visit the Grille Room and a staff member can check you in.

We thank you in advance for your cooperation.

Amy Taylor
Business Manager
